Gravotech a first-rate partner

For over 75 years, Gravotech has remained the engraving industry's benchmark through its 4 brands: Type3, Proopen, Technifor and Gravograph. As global leader in engraving and marking technology, we utilise our expertise to develop rotary and laser machines, accessories, software, materials, training and technical services. We provide our customers with complete, purpose-built solutions for retail, institutional and industrial applications, from personalisation to architectural signage, to industrial part marking.

A culture of excellence

Gravotech marking solutions offer exceptional quality and durability exceeding industry product performance standards. Our global quality management charter ensures that both products and services are continually improved, and that all of our team members provide you with the best possible customer experience.

Our success is built on three fundamental values: our customer-focus, ongoing innovation and industry-leading customer service from over 900 employees worldwide.
